

I choose to be on the WI No-Call list for a reason. I don't want to be bombarded by calls that waste my time, interrupt my day, and serve no purpose. I will never purchase, donate, or answer surveys on the phone. I don't want to be solicited. This list is my way of saying "don't waste your time and mine". If you allow a special interest group to weaken what the citizens (80%) of Wisconsin have demanded and use, you are setting a precedent that the will of the people is liable to be ignored and undermined at the will of small special interest groups. You will allow them to prey on the less-informed, or financially-challenged who deserve your protection from unscrupulous vendors. Just say NO! Let Wisconsin protect its citizens as it sees fit and according to the will of those citizens.
